

National FAA Safety Team presents:

# **AirVenture 2023 Forum - Secrets Only Pilots Know About Airports**

Do you know how to visually identify runway length, width and what approaches are available right from your cockpit window? This briefing offers pilots of any skill level unique perspectives about the world of airport facilities such as NAVAIDs, pavement markings as well as airfield signing, lighting and communication and much, much more. Learn the secrets that few experienced pilots even know. Reduce your probability for making a mistake while becoming a safer and more informed pilot!

WINGS/AMT credit available!

To receive WINGS/AMT credit fill out attendance sheet available at the Forum entrance.

**Directions:** The FAA Safety Center is centrally located on the EAA AirVenture grounds on the South side of the control tower. We are the large tan building with the rooftop deck facing the runway. Forums entrance is on the west side of the building.

Prior to attending a safety seminar, please review and abide by current CDC, State and local health guidelines.
